Donna Korn endorsed as the right choice for School Board by Broward County Council of Professional Fire Fighters

Mrs. Korn was once again honored with Broward County Council of Professional Fire Fighters support.

Dateline: [Fort Lauderdale, FL July 22] — The Broward County Council of Professional Firefighters has endorsed Incumbent Donna Korn as their candidate to once again represent Broward County families in the Countywide School Board position, Seat 8.

“I am overjoyed that the firefighters have endorsed me” Korn extolled. “My father was a firefighter as well as my uncles, and many of my family members are currently firefighters – even my daughter’s boyfriend just joined the Fort Lauderdale Fire Department. I can’t thank the Fire Fighter community enough for their continued support” she shared.

Donna has long supported all of Broward’s EMS and Firefighter community. “We believe Donna will make our future a better place,” Chairman J. Scott Bayne said.

This endorsement is coupled with the recent Hispanic Vote endorsement and is coupled with her additional endorsements by the Broward Teacher’s Union, Equality Florida, and the Broward Principals Assistants Association.
